💼 PROFESSIONAL EXPERIENCE

2024 | 2022

Data Engineer, Power BI Developer, Netsuite Administrator, Assessment Dept.
Figure Financial   📍 135 Mountain Way Dr, Orem, UT 84058

- Developed interactive dashboards to provide real-time insights into company trends, enabling the C-suite to make data-driven decisions swiftly.
- Built sales dashboards to act as a bridge between operations and sales reps.
- Designed and implemented role-specific dashboards and reports in NetSuite, streamlining workflow processes and automating repetitive tasks such as email notifications and call center cadences.
- Supported organization by supplying ad hoc reports/data pulls and advising other departments on their data processes.

2021

Research Analyst Assistant, Assessment Dept.
Fulton Library   📍 800 W University Pkwy, Orem, UT 84058

- Efficiently curated and consolidated data from diverse sources.
- Wrote regular reports on database and facility utilization.
- Automated my weekly/ monthly, and quarterly report writing process to focus on new initiatives.

2021 | 2020

Plasma Processor
Biomat USA   📍 O349 E. University Parkway

- Took samples from patients and ensured all quality control measures were taken.
- Resolved customer concerns over payment.
- Maintained equipment on a regular schedule and ensured that everything was operating within standard parameters.

🎓 EDUCATION

Utah Valley University
B.A. in Biology   📍 Orem, Ut
